TUITION

The Egg Harbor City Board of Education will charge and assess tuition for students attending this school district that are not entitled to receive a free public education in this district. Tuition charges shall be assessed for students attending this school district on a tuition basis in a fair and equitable manner. Students from other school districts may be considered for enrollment under the following conditions:

- A. There is room without undue crowding;
- B. The educational program meets the needs of the student; and
- C. With payment of tuition.

Tuition fee shall be established by the board of education and revised as changes in costs indicate. Tuition rates shall be determined annually and shall not exceed the district's actual estimated cost per student. In the event that federal and/or state law and/or regulation prescribe a formula for a particular program, then that formula shall be used.

The board secretary/business administrator shall be responsible for the assessment and collection of tuition as well as the assessment of tuition for approved students attending special classes in the district.

The tuition rates shall be made known to the sender prior to the start of the school year and, where possible, all differences worked out in advance of billings. Tuition billings will be made monthly immediately following the billing period. When a student attends more than three days, the sender will be charged for a full month tuition, if so permitted by federal/state law and/or regulation.

The Executive County Superintendent should be consulted to mediate disputes that arise from tuition matters as defined in N.J.A.C. 6A:23A-17.1(f)5.
